### PLEASE READ THOROUGHLY

1. I have read the guidelines and policies of New Hope Academy and understand/agree with them.
2. I understand the enrollment fee is \$35 per year per child and is due upon enrolling with NHA. There is no refund if we leave the school at any time, nor are books included in this fee. There is a family cap of \$105.
3. I understand that transcripts are not supplied without the payment of any applicable fees (\$10 transcript fee) and submission of grades on the approved NHA form.
4. I understand NHA policy on student records and transcripts. **Grades for high schoolers OR a description of courses must be turned in each semester if I am expecting a transcript and diploma for my child. Grades are encouraged to be turned in for elementary and middle school but are not required.**
5. I will keep NHA informed of new phone numbers or address changes.
6. I understand that if a child moves in with another parent, enrollment does not transfer.
7. I do not hold NHA, the administrator, staff members, or volunteers liable for the education of my child, including purchasing of curriculum, grading, or testing.
8. **I understand I am responsible for purchasing or obtaining all books or curriculum.**
9. **I understand NHA is not accredited nor wishes to be at any time.**
10. I understand NHA fully places all responsibility of the education of my child in me, the parent. NHA is not required by law to make sure a child is learning.
